News from Kairos Prison Ministry International, Inc.

Vol. 39 No. 2

Kairos Remembers Founder, Tom Johnson

When Tom Johnson, attorney and Catholic Cursillista from Miami,

decided to attend an ecumenical Cursillo gathering in Atlanta in 1975, a seed was planted.

In the fall of 1976 at Union Correctional Institution in Raiford, FL, Johnson's hard work became reality when he and fellow Cursillista presented a three-day spiritual renewal retreat for inmates. Since the sowing of this seed in 1975, Kairos Prison Ministry International has experienced tremendous growth, expanding into 9 additional countries.

Johnson, joined by eight other men, known as the "Nine Old Men" presented the three-day retreats inside the prisons. These nine men, from all different walks of life, worked together tirelessly to foster the spiritual needs of incarcerated men and later expanded the ministry to also minister to women, youth and their families.

Along with Johnson, the "Nine Old Men" included: Cleve Bell, John Caldwell, Dick Day, John Divito, Ted Glocker, Joe Gurtis,

Clarence Hodges and Nils Schweizer. This unique group of men are responsible for the remarkable growth that the ministry has experienced over the past thirty-seven years.

Cleve Bell recalls Tom coming out of his Cursillo Weekend feeling that he truly had a calling to this sort of ministry.

Cleve said "Tom was the cornerstone when it came to getting this ministry started, but he was always very adamant that it was the work of the entire team. He never wanted it to be about himself."

Laughingly, Cleve commented "The only way that Tom was able to hold that first Weekend was by constantly bugging the Florida DOC. Eventually, he wore them down, and they said "put him in Raiford, let's see how that works out."

Well, of course, we all know how that worked out!

Joe Gurtis said of Tom "We are all deeply indebted to Tom, as he had the vision and perseverance to bring about this sort of ministry." Joe went on to say, "I admired no

one more than I admired Tom Johnson."

Clarence Hodges was a long-time friend of Tom's and remembers him fondly. "Tom was a great leader and is responsible for bringing Kairos to Union CI. That is where it all really started. His leadership enabled him to spread Kairos across the whole state of Florida and beyond"

Pictured above: Clarence Hodges and La Verne and Tom Johnson at the 2006 Summer Conference in New Mexico celebrating the 30th Anniversary of Kairos Prison Ministry.

All three of these men, the only remaining of the original nine, considered it a privilege to know Tom and be part of his vision.

Kairos volunteers, while saddened by the loss of their beloved founder, will forever be grateful that Tom took to heart the Lord's words:

"While I was in prison, you visited me."

Kairos Prison Ministry – a Ministry of Impact for All Involved

After five months with Kairos Prison Ministry, I continue to be in awe of how God is using this ministry to impact the incarcerated and their families. Every week, while I get to deal with the issues the ministry is facing, I really get to hear the great stories of impact and changed lives through Kairos Inside, Kairos Outside and Kairos Torch.

Evelyn Lemly
Executive Director

I have now done each of the ministry Weekends, attended AKT trainings, attended Prayer and Share times, and talked to hundreds of volunteers across the country. In each conversation, I hear stories of impact and change in individuals, families and entire correctional facilities. I notice too that volunteers share how their lives have been impacted by serving with Kairos.

Recently I spent a couple of days talking to people from all aspects of our ministry including participants, guests, leaders, inmates, chaplains,

wardens, and the families. These persons had participated in Kairos Outside, Kairos Inside, and/or Kairos Torch.

One warden goes to volunteer at another facility for Kairos. One former warden was recently the Torch Weekend leader. One former warden is a volunteer on a Kairos Outside Weekend. This certainly speaks to the impact of Kairos Prison Ministry in their facilities when they are also volunteers. Interestingly, these wardens shared that Kairos makes a significant impact on the prison staff also.

One chaplain stated: "We challenged Kairos with the toughest in this prison and have seen this prison change to one where everyone knows God is welcome here. The key is we encouraged Prayer and Share and Reunions so that we gave them a place to act out their changed life on a regular basis. Then by incorporating Kairos Outside into the plans and encouraging the inmates to sponsor their female loved ones, we witnessed family unification and healing. The Kairos programs themselves are wonderful but if you put it all together the depth of the impact is one that breaks down barriers, nurtures individuals, builds leadership and allows

A MESSAGE FROM THE BOARD CHAIRPERSON

To the Kairos community:

We are truly saddened by the news that our beloved brother and founder, Tom Johnson, passed away on Monday, June 10th. Our prayers go out to Tom's wife, La Verne, and his family.

He founded a ministry that has spiritually changed the lives of thousands of people who never met him. Kairos Prison Ministry was a message sent from God to a willing servant. Tom listened, answered the call and Kairos was born. This Ministry, which we all love, stands as a testimony to what can happen when

one person listens to God's call.

I was in college when Tom Johnson joined with a team of volunteers and entered Union Correctional Institution to present a short course in Christianity.

Today we continue to enter the lives of people who have been effected by incarceration and present that short course.

Now in retirement, I look

forward to the future of Kairos as we continue to carry out the calling that started with Tom and has been passed on to each of us.

There are many emotions besides sadness that we will experience with this news. Celebration of Tom's life, resolve to continue his work, and joy that comes with seeing lives changed, are all ahead of us. I'm

thankful to Tom for founding the ministry that has changed my life.

Kairos Board of Directors

for healing and change.”

Following these meetings, Kevin Resnover, Kairos Youth Coordinator, and I attended the North American Association of Wardens and Superintendents (NAAWS) annual conference in where we had a Kairos booth. For the 6 to 7 hours the booths were open, often we had lines waiting to talk to us.

Wardens and correctional facilities staff were actually standing in line to thank us for Kairos and to say “we love Kairos.” Several other Wardens had heard of us but wanted to know more, while others had not heard of Kairos and were interested in

hearing about the ministry.

As a follow up to this conference, we have had requests from two youth facility leaders asking for us

to get Torch started in their areas. We also had several wardens ask for more information on starting Kairos Inside. As these are scattered across the country the opportunity to promote Kairos Prison Ministry was wonderful.

It truly helped those who did not know Kairos to overhear others saying it works great. It

is obvious we are well known in the prison system in numerous states.

Wardens and correctional facilities staff were actually standing in line to thank us for Kairos and to say “we love Kairos”.

All too often it is easy to only think of the issues of the day or the impact we see ourselves.

However, the multiplication effect of the impact to the families, facility staff, other inmates, and to ourselves should be something we are celebrating also. It truly is a big community.

WHAT ABOUT THE YOUNG WOMEN?

By Jo Chapman, Women's Ministries Coordinator

Anyone who is doing any volunteering inside men or women's prison have noticed that the medium age in these institutions are getting younger by the years.

The US is incarcerating teenagers that previously would have been

sentenced in the juvenile system, and are now being tried as adults and in many situations getting very long sentences. These young women that I have met inside may not have the life experience to get the full effect from a Kairos Inside Weekend, but still need to understand that they are loved by God and not forgotten. So what about these young women?

Kairos Torch has developed a program called Peer to Peer and the Georgia Kairos community has stepped up with the permission of the prison administrators and the institution's Chaplain, to say they care about these young women in an adult prison. In June and July, a combination of Kairos volunteers and inside Kairos grads will become a team by spending 36 hours inside the prison together to form the living Body of Christ for the Kairos Torch Weekend.

The Kairos Inside grads will be doing the talks and meditations on the Weekend and one Kairos grad and one Outside Kairos volunteer will be Table Leaders for each table family. The Kairos grads and the Kairos volunteers will be helping each other with the

Weekend music, agape, table service and all other aspects of the Weekend. The Kairos grads will be Weekend guides to the young women, who will be the participants.

Then, after the August Torch Weekend, the participants and the Kairos grads will be matched up for a year of weekly mentoring sessions. A curriculum has been developed to put the mentors through a year-long journey of spiritual health and wholeness, so first they will be students and then become the teachers for their mentees. The mentees will be going through a similar spiritual journey as their mentors, but in an age appropriate manner.

My Kairos Outside Family

At the age of 19, I attended my Kairos Outside Weekend. I was pregnant with my son, and also had a daughter. My sister was incarcerated and had attended a Kairos Inside Weekend. She began sending letters to Mom and I telling us that we needed to attend a Kairos Outside Weekend. She bribed me with all the

It is a big commitment for all parties since the Kairos volunteers will be coming into the prison once a week to facilitate the morning mentor classes and then stay to oversee the afternoon mentor-mentee sessions. So God is expecting a great deal from all parties. Many older women inside grieve that they have lost the ability to impact the lives of their children because of their incarceration.

As I go to Georgia with Kevin Resnover, Youth Coordinator, to begin the team training in June, I will be telling the Kairos grads that this is their chance to do something positive for "someone else's daughter."

Please pray for this Kairos Torch Peer to Peer program. I believe with all my heart that God has mighty things waiting for the younger women of Lee Arrendale State Prison. They matter to all the Kairos community and they especially matter to God.

delicious food I was going to get! We were reluctant to go, but she kept at us long enough that we convinced additional members of our family to come along too.

While our situation isn't entirely unique, it is still not what most would consider "the norm".

Men's Inside Ministries Report

By Bill Rushing
Men's Ministries Coordinator

There's been lots of exciting firsts in the first half of 2013 that are in store for our Men's Ministries. Kairos of Wisconsin is undergoing its final steps prior to launching a Men's Weekend at the Oshkosh C.I. on Oct. 25-28, 2013. This will be a Friday-Monday affair, with Al Kolff as the 1st Weekend Leader and Tim Gurlea as the Observing Leader. Al has already attended the AKT-Inside held in Denver this past May 17-19 with plans for Tim to attend the AKT in Oklahoma City on July 12-14, just prior to this year's Summer Conference.

The Wisconsin State Chapter, under the leadership of Syd Rauworth, is moving forward exceptionally well and currently has plans for hosting a Kairos 101, the pre-Weekend training event for new volunteers in a new state. This is scheduled for around the weekend of August 17th. Please keep in mind that because of very limited spacing in the institution (only 30 occupants per room which includes Residents and Team), Oshkosh #1 will host 12 Residents at 2 Family Tables with the chaplain in full attendance. Prayers and hopes for a successful start go without asking.

Initial plans are underway to get New Jersey back into KPMI along with firmer steps for a possible Kairos presence in Kentucky. Scott Hamel, former State Chair

of Virginia, is spearheading this effort, and he is being helped by several Kairos veterans with lots of experience from Indiana and Illinois and 4th-Day leaders from Kentucky. A meeting is scheduled with the Kentucky DOC officials on July 19, 2013, to let them know about the organizational details behind KPMI. A determination should be forthcoming from that meeting as to which program would be best to get an initial footing in Kentucky. Prayers and hopes for a successful beginning in Kentucky are asked by all.

The number of EZRA reports for Inside Weekends is on the rise and getting stronger. Also, more KI EI reports have been recorded from Weekends held this winter. States to be held in special recognition for their efforts are Texas, Georgia, and Indiana. Hats off to these State Chairs and their designees.

For KPMI staff updates, the three program coordinators are compiling information and data together in an effort to "unify" the Excellence Initiatives used by all three programs. The main objective is to make the EIs easier to compile and more useful for our volunteers and Ad Councils in their effort to get closer and closer to the "Path to Excellence".

And finally, the AKT-Inside trainers, starting around June 1, will be involved in almost day-to-day contact with each other as they will be trying to fine tune the information given to our future Inside Weekend Leaders. These dedicated individuals are very important to help maintain the program quality and the outreach to our incarcerated brothers and sisters. When you see an AKT trainer for any of the 3 programs, give them a little pat on the back and a "thank you" for their contribution to Kairos.

In Loving Memory

Kairos Prison Ministry International

Often, people who have lost a loved one ask that a tribute gift be made to their favorite charity in lieu of flowers. A memorial contribution to Kairos Prison Ministry pays thoughtful tribute to the memory of your loved one. Donations will support sharing Christ's love with the incarcerated.

A memorial letter will be sent to the family of the bereaved, along with the name (s) of the donors. The amount of the gift will not be disclosed. Donors will receive a letter from Kairos Prison Ministry for their tax-exempt contribution.

CHILDREN SHOULD BE SEEN, AND MUST BE

By Kevin Resnover,
Youth Ministries Coordinator

In the 15th century collections of homilies written by an Augustinian clergyman called [John] *Mirk's Festial*, circa 1450: is where the old proverb originated; "***Children should be seen and not heard***".

Perhaps it's the same belief that those closely following Christ once had when they obstructed the youth from coming to Him. Can you imagine their astonishment when Christ turned to them and said, "***Let the children alone, don't prevent them from coming to me. God's kingdom is made up of people like these?***"

Matthew 19:14

It's these words from Christ that continually reminds Kairos Torch volunteers that our work tugs at the very heart of God. That He values the desires of children's souls and insists that all barriers be removed from their pathway to Him.

It's also encouraging to see that there is an unassailable move today to bring hope to high-risk and deeply troubled youth. Kairos Torch is being sought out across the country because of our proven methods and life changing ministry.

In the state of Texas we have

been invited into several correctional institutions for youth. Florida has requested Kairos Torch in many of their youth facilities and the state of Louisiana has expressed substantial interest in the six months of Christian mentoring we offer their detained youth.

The governor of Ohio desires Kairos in all of their prisons while Kairos of Washington is organizing a Torch Advisory Council to go into our first youth institution there.

The California Department of Juvenile Justice is presently reviewing our program to open up the first Kairos Torch program in Northern California and the state of Indiana has asked that we bring our 2½ day Weekend Retreat and mentoring program to the girl's facility as soon as possible.

Correctional officials from Georgia praised the work of Kairos and asked that we expand our youth ministry programs throughout their state.

Just a couple of days ago we received correspondence from a Deputy Regional Director in Tennessee stating he wanted the Kairos Torch Program in

their youth facility as soon as possible.

What an honor it is that God has trusted us with so much. That He has put unlimited possibilities in front of us and continues to supply the energy and the tools we need to fulfill the mission. Luke 12:48 says

"...From everyone who has been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked." But even in this, God continues to supply what He demands!

2013 has been the year that we have been called to roll up our sleeves, put feet on our faith and work the fields until dawn. As for tomorrow, we'll reap the harvest! In fact we already see some of that seed breaking through the ground.

Letters like the one on the following page reminds us that we are on the right path and that lives are being changed through the work of Kairos:

June 4, 2013

Dear Mr. Resnover,

I would like to take this time to say thank you and your ministry at KPMI for the work that you have done with my son, Chris, at Orange Youth Academy in Orlando. As his time there comes to an end, I want to tell you that your work is an amazing display of God's love and grace. You have also been an answer to prayers.

Chris has been at OYA since December of last year. Friends, church members and family had been praying for Chris long before his stay at OYA. However, when he left for OYA we had prayed specifically for someone or something to come into his life to remind him that God would be with him during his stay. Well, our prayers have been answered in a big way through your ministry at KPMI.

Chris has told me several times about the visits from KPMI, and specifically Ms. Gay (I hope I got the name correct). He has enjoyed the companionship, the entertainment and the food. The first visit was especially memorable to me. Your ministry's first visit came at a time when Chris was in need of hope and encouragement and you filled that gap for him.

As a mother, I cannot thank you enough for your visits to my son when I could not be there. And I thank you for sharing the Gospel of Jesus Christ with him so that he could hold on to the Lord's hope in times of trouble.

Sincerely,
Chris' Mother

There is no shortfall in the work that God has called Kairos to do. We that attempt to follow Christ closely today will answer each youth that's searching for hope:

YOU HAVE BE SEEN, AND YOU WILL BE HEARD!

OFFICIAL KAIROS MUSIC POLICY

By Bill Rushing

Over the past 36 years of Kairos history, there have been some really strong struggles concerning what music is allowed or not allowed for Team Formation, our Weekends, and the Continuing Ministry Reunions and Retreats. For a long time, we've all asked questions like, "Is it legal, are we following the correct copyright process through proper documentation?" and so forth. Please allow me to share what we have learned about using music in the Kairos Ministry.

First, let's visit about my experience in this effort beginning with my involvement in the Dallas Emmaus group in 1988 and Kairos 2 months later. Like a typical Emmaus graduate and Kairos junkie, I was initially so excited and wanted to be on every Emmaus and Chrysalis team and Kairos Weekend that could be formed over the next 200 years, leading the music for each event. In my exuberance, I put together and printed many local songbooks for use at all the Emmaus/Chrysalis/Kairos Weekends, the Candlelight services, and Monthly Gatherings and Reunions with those wonderful "Emmaus"-type songs that everybody just loved.

Within a short time, I found out that what I was doing was inappropriate, for there was no such thing as "Emmaus" songs...these were wonderful, beautiful songs that were used at Emmaus functions, but were already a part of a rich Christian musical heritage used by all churches, musicians, and other Christian 4th-Day groups like Catholic and Episcopal Cursillo, Tres Dias, Via de Christo, and Kairos.

I began to consult professional musicians who knew copyright protection first hand, and lawyers who knew the legal implications and ramifications. I also got introduced to a small outfit in Portland, Oregon, Christian Copyright

Licensing International (CCLI) which started in 1988. Their original purpose was to help small churches and congregations with small budgets find legal solutions to music usage without the very high costs of purchasing published music. CCLI offered the same help to local groups within larger factions like Emmaus and Kairos. With their help, the Kairos Inside program at the Beto unit and the Dallas Emmaus Community, and its 2 spin-offs in East Texas and Denton, got on a legal music footing.

In 1992, Ike Griffin, the Executive Director of Kairos, invited Garry Moorman and I to the Kairos Summer Conference at San Damiano, CA, to lead a music workshop that would begin the effort to create a unified Kairos Songbook to be used across the nation. It was learned that music used in Kairos greatly varied, not only from coast to coast, but also regionally. Our effort to produce a simple, unified Kairos songbook was not going to be easy.

The music situation for Kairos became more complicated in the mid-90's when we received notification from the Rogers-Hammerstein Foundation that the use of the tune *Edelweiss* without paying copyright fees to the R-H Foundation would be followed by legal action. This same notification went to the major 4th-Day movements who, like Kairos, had been using this tune for their Meal Blessing songs.

As a result, 2 alternate blessing songs were written by Emmaus graduates in 2000 and 2004, and were adopted for its future use. Emmaus additionally granted Kairos permission to use these new songs and they have been placed on the KPMI website under "Downloads". In addition to this info, Beth Jacobson, a Kairos Outside volunteer, wrote a great meal blessing song in 2005 for KO Weekends which is also on the mykairos.org website.

WHO WE ARE

To get to it, click “Downloads” and ”Kairos Outside” and then scroll down to the middle of the page to find “KO Blessing Song – Thank You”. It is available for all.

Continuing, after several attempts (and publication mistakes), Kairos adopted a formal Music policy in 2005. This policy offers four Board-approved, easy-to-understand alternatives for Team music leaders to follow so that they can stay within the legalities of the copyright provisions. But as found under normal human conditions, nothing is ever absolutely perfect with perfect solutions, so with these alternative, each one has **advantages** and **disadvantages**.

Use Music **Only** from these Sources:

I. Public Domain Music

ADVANTAGE: VERY inexpensive because these songs are free.

DISADVANTAGE: Not many songs to choose from as most were usually written over 100 years ago

II. Commercially Purchased Songbooks or Song Sheets

ADVANTAGE: The copyrights for the music comes in the very high price of the songbooks which belong to the AC

DISADVANTAGE: You are NOT permitted to make any copies or overhead transparencies; the average price per songbook: \$40-\$50+ each and there needs to be enough for all to use

III. Get an Annual CCLI Local License for about 3000 Songs for \$100 per year, renewed annually

ADVANTAGE: Reasonably cheap; can make up

to 100 songbooks with proper documentation: author, publisher, date of publication and CCLI license number which is unique to each AC and cannot be shared with another AC

DISADVANTAGE: approved songs are just these 3000 and **no others**; cannot leave songbooks at prison or loan them out to any group that is not directly affiliated with the local Kairos AC, this includes any other Kairos AC; must maintain a “Usage Log” that documents not just the name of the song, but every time a song is sung at **every** Kairos function: Team Formation meetings, the Weekend event, or any Continuing Ministry function; Musicians need to make Usage Log available to CCLI at CCLI request.

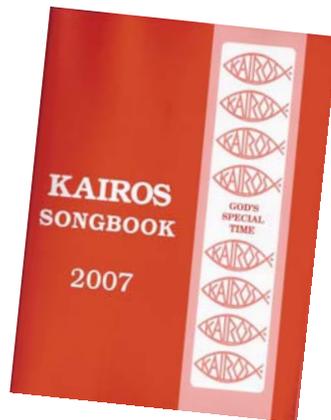

IV. Purchase Kairos Songbooks with about 900 songs

ADVANTAGE: Fairly reasonable cost: \$15 each; songbooks totally belong to AC; can use them anywhere or by anybody; made with long-lasting Kevlar cover; uses guitar notation; copyright guaranteed by Yohann Anderson and Kairos; easy and relatively inexpensive to replace if lost or damaged

DISADVANTAGE: Fairly reasonable cost: \$15 each; because of low cost, making copies or overhead transparencies is firmly prohibited as found on first pages of songbook

These 4 choices are the only available alternatives for us to stay within the U.S. copyright laws, thus avoiding legal complications for the ministry. This should also help us to address requests to publish, copy, or use a piece of music not covered under these 4 alternatives, i.e. we cannot simply put a CCLI license number on a piece of music and consider it legal for usage.

If you have any questions or want to discuss points of this article, you can reach me at: bill@kpmi.org or at 407-629-4948.

Kairos Torch #8 at C. A. Dillon Youth Development Center

WOW!! We were surrounded figuratively and literally by the agape love and prayers of so many! It was truly a grace-filled weekend C. A. Dillon YDC in North Carolina, April 19, 2013.

Below are some of the highlights of the Weekend:

12 participants at tables: "Family of Faith", "God's Chil'in" and "Pharoahs".

Some participants were very musical and gave fully in singing during the Weekend

Some of the youth, who were inclined to disrupt, did not manage to. Thank you Table Leaders!

Two participants accepted Jesus as their Lord and Savior in response to the Choices talk.

The forgiveness ceremony on Saturday evening was moving. 3-4 participants jumped up to be blessed after the "Father Forgiveness" as soon as the offer was made. Well over half came up for blessings.

Everyone was individually prayed over as they gave their mask and forgiveness list to God.

The food was wonderful and was seen as "awesome". We pretty much stayed on schedule all Weekend except for running short of time toward the end.

Awesome skits and raps.

Almost 1200 people were praying on the prayer chain, which completely encircled the room. More sponsored meals and agape placemats than we could use. Agape posters filled most of the two long walls. God is good and God's blessings are abundant.

All Lite'n Livelies were outside (great weather after Friday night): Big Wind Blows, Mrs. Mumbly, Hula Hoop Passing, Big Sigh, Ten Positions, Alligators and Frogs, NFL Passing Contest, Sweep Relay and Ring Toss were thoroughly enjoyed.

Saturday morning, during table discussion, the room was quiet, heads were at all different heights and faces were looking in many directions. But by Sunday mid-morning, we saw the shift in the room we were hoping for: discussions were animated, the room was noisy, there were outbursts of laughter, heads were all up

and faces looking at each other. That is an amazing transition to see – starting out as strangers, with little in common, and ending up as friends, brothers and sisters. Thank you God!

After walking around some of the prayer chain with a participant, I pointed out one link and described how that person was praying for the Weekend. The participant replied, "Next time you see him would you thank him for me?"

A GIANT THANK YOU to every team member. Every single person put their minds and hearts into whatever job they were assigned for the Weekend and it showed:

Table Servers demonstrated true servant-hood while doing a flawless job of having everything where it was needed exactly on cue.

Speakers gave the students powerful witnesses with crystal clear messages about human relationships, trust, love, forgiveness, church and personal responsibility of choices.

Mask Meditation Players each strongly engaged the

audience in the emotions of the masks. The students were reacting vocally and visibly.

Musicians led joyous music and seamlessly allowed/ encouraged participation of many types by the students "Pharoah, Pharoah", "Jesus is the Rock" and "I Believe I Can Fly" appeared to be favorites.

Table Leaders were there every minute of the Weekend for the youth. Being Table Leader requires you to be "On" 100% of the time. I saw affection around the tables by the end of the Weekend.

And of course, we are indebted to Chaplain Sandra who worked harder than any of us. She made three trips around campus for every one of ours because she has to unlock each door. She visited youth in their cottages. She interacted with staff (especially during the Friday evening power failure when they didn't have working radios). She ironed out issues. She enlisted past Torch participants for the cookie delivery. And still, she managed to be an inspiring and encouraging presence throughout the Weekend.

All Glory & Praise be to God!
God Loves You and So Do We.

My Kairos Outside Family *Continued from page 4*

Having a loved one incarcerated wasn't a situation we were unfamiliar with.

I am the child of an inmate. My biological father was incarcerated before I was born. I have had various family members incarcerated during my life time. I guess you could say it was typical of our family. With that being said, we came as a group; Mom, Grandma, an aunt, a cousin and me. My aunt had been incarcerated and my cousin was her daughter. Grandma, bless her heart, had a plethora of people to choose from when it came to receiving a love letter.

We showed up, nervous and unwilling to be split up. So much love happened that Weekend. There was a moment where I felt like God was calling me to be a part of this. As a child, I didn't realize it wasn't "normal" to have so many family members in the prison system. It wasn't until someone pointed it out to me this was "unusual", that I really started to wonder about my family and their choices.

Among those women I felt accepted. I was around people who knew what it was like to be blamed for the actions of others. There was no judgment placed on me or questions about why I still supported my sister. When I left the Weekend I had hope. I realized God had a place for me. I was now in a place where my

experiences and my faith could be used for His honor and glory. I didn't have to be ashamed of my past or the people in my life.

In 2001 when I was pregnant with my last child, I worked my first team. You could say two out of my four children have been a part of Kairos Outside from the time they were in the womb. In the past thirteen years since I've been a guest, I have worked a number of Weekends. I have also been a Weekend Leader.

My sister came home in 2003. She's had some rocky times but has managed to work through them. My Kairos Outside family was there for us when we were preparing for her release.

My Kairos Outside family was there for me through a horrendous divorce. They were there for me when I lost my way and needed them to remind me why God should be first in my life.

They celebrated my new marriage and gaining a son with it. My Kairos Outside family has loved me since the day I set foot inside that facility and I can never repay the kindness and love that I have received from them. Since I can't pay them back, I will pay it forward to the women who come in the future.

AKT is for Kairos Inside, Outside and Torch volunteers who are in or will be in a Weekend leadership role, including Advisory Council or State Chapter positions, anywhere within the Kairos program. Advanced Kairos Training gives the what, who and why of the Kairos Inside ministry. Kairos policy requires that all weekend leaders must have attended AKT-Inside prior to leading a Weekend.

PRINCIPLE STATEMENTS CONCERNING AKT EXPENSES

1. All AKTs are essentially free to any and all attendees.
2. However, paying the expenses of an attendee for AKT is borne by the state sending its volunteers to an AKT training in or out of its local state.
3. This means that all Advisory Councils or SCCs should be budgeting for any AKT expenses deemed necessary for their future Weekend Leaders or other attendees that the Advisory Council or SCC wants to attend.
4. AC or SCCs should encourage its volunteers (who may have been used to paying out of their own pocket previously to a Host State) to make their donations to its local AC instead to help build the budget to allow for more volunteers to attend trainings like the AKT training.

Kairos Outside Southern California Pomona #54

The Kairos Outside Southern California Pomona (KO So Cal Pomona) community continues to flourish and remain strong. Twenty three new women were welcomed into the family fold after a Spirit filled weekend. The guests were showered continuously with the love of Christ. Led by Toni Hernandez, the team pampered and shared intimate and personal stories with the guests. Plenty of Angels stepped forward to serve behind the scenes to make this event appear seamless and smooth.

Our Father God was glorified with every prayer and every song shared during Weekend #54! Kairos Outside So Cal Pomona would like to thank all of the chapters who shared agape with us. Also, huge thanks to the hundreds of prayer warriors who kept us in continual prayer.

New “Vision” for Kairos

Dear Kairos Volunteers and Staff,

You may have heard that the Board of Directors is working on planning for the future of Kairos Prison Ministry. The first place we started was to develop a Vision statement to complement our Mission statement.

The Board of Directors of Kairos Prison Ministry International is pleased to announce the Vision of Kairos.

A community spiritually freed from the effects of imprisonment reaching all impacted by incarceration, through the love, hope and faith found in Jesus Christ.

The mission of the Kairos Prison Ministry is to share the transforming love and forgiveness of Jesus Christ to impact the hearts and lives of incarcerated men, women and youth, as well as their families, to become loving and productive citizens of their communities.

As you review the Vision and Mission together, we hope you see some common threads that tie these together but also create a directional focus for Kairos Prison Ministry for years to come. Allow us to remind ourselves of the purpose of a Mission and Vision Statement.

A mission statement answers the question of “why do we exist?” It basically is the identity of the ministry and very important to keep us all unified and focused on the same purpose. The mission is broadly shared with all persons to know why we exist or what we do.

A vision statement is what we want the ministry to be in the future. Or restated what we see in the future if our ministry is successful at addressing our mission. So the vision is the desired change resulting from Kairos work. It reminds us of what we are trying to build in the future.

Thus, the mission and vision together answer ‘what

we do’ and ‘where we are going’. As we dream of where Kairos Prison Ministry will be in the future we continued to see a community. We saw:

- A community of unified Kairos volunteers and staff serving to complete the Mission of Kairos;
- A community of incarcerated men, women, and youth positively impacting others where they reside today;
- A community of families impacted by incarceration that are unified and reconciled to their loved ones;
- A community when the incarcerated are released where they are loving and productive citizens and neighbors;
- A community freed by Jesus Christ as our savior and the leader of our lives.

When we put it all together we ended with a vision of:
A community spiritually freed from the effects of imprisonment reaching all impacted by incarceration, through the love, hope and faith found in Jesus Christ.

Over the next months, the organization through various committees, groups and task forces will be looking to developing a strategic plan that is based on the mission and vision. The Executive Director, Evelyn Lemly, will be leading this initiative and inviting many to participate as opportunities arise. We are excited about where Kairos Prison Ministry has been over the past 36 years and where we are going.

Feel free to utilize this locally in your materials, websites, and plans. At the same time, we ask that the wording is not changed in any way (regardless of format) so we are unified and consistent as One Kairos Community.

We ask God to continue to guide us as we serve as Kairos Prison Ministry. The ministry is His not ours. Please join us in praying daily for the work of Kairos, for unity, and for clarity of direction as we seek God’s guidance.

In His service,
The Board of Directors

Ronald Zauner, 69, Wilson, NY was unexpectedly taken to be with his Lord and Savior, March 27, 2013. He was a Mechanical Engineer by trade, but a loving husband, father, and friend by choice. Attending the Third Highest Ranking Engineering School at UMR, Ronald earned his Bachelor of Science in Mechanical Engineering in 1968 and was also part of the school's Army ROTC program. Shortly after graduation, Ronald proudly and honorably served in the United States Army, doing a tour in Vietnam as a First Lieutenant in an Engineering Battalion.

Ronald was also a member of the first Baptist Church, GDK, and NFCC, as well as the Chaplain of the VFW Newfane Post and life member of the Wilson Historical Society. Ronald always wanted to help people and was very passionate about helping the troubled teens in Freedom Village. He really enjoyed fishing and delivering Meals on Wheels with his wife, Judy. Judy has been a Kairos volunteer for many years. Please keep her and their family in your prayers.

Conrad Norman Muzzy, age 84, of Madison, WI, passed away Wednesday, May 15, 2013. Conrad was a member of Grace United Methodist Church, Blanchester, Ohio, St. Paul's United Methodist Church, Madeira, Ohio and more recently, Luther Memorial Church, Madison.

For 23 years, he visited prisoners in Ohio as a part of Kairos Prison Ministry International and treasured the relationships developed inside and on the street. He was eager for Kairos to develop in his new home state and served in the newly-formed Wisconsin chapter.

Please remember Conrad's wife, Elizabeth and his family in your prayers. Memorials may be made to Kairos Prison Ministry or Luther Memorial Church.

Reverend Esta Stanley "ES"

Furr, 90, Tupelo, Mississippi, reluctant war hero, faithful servant of the Lord, devoted family man, died May 25, 2013.

After in World War II and working for the Middle Tennessee Tuberculosis Association, ES answered the call to ministry and attended and graduated from the Chandler School of Theology, Emory University, Atlanta, GA, in 1951. During seminary, in 1950, he married Ruth Hunter Allen of Tennessee. They remained married and devoted to one another until Ruth's death in 2006.

ES was ordained as a United Methodist minister and served churches in Vardaman, Belmont, Calhoun City, Ripley, Booneville, Lexington and Corinth. He also served as the Tupelo District Superintendent and the Director of the North Mississippi Conference Council on Ministries in Grenada. He

"retired" in 1988 but continued his ministry until the end of his life.

ES believed in "active" faithfulness and spent his life serving others. During different periods of his ministry, he was involved in Habitat for Humanity and Meals on Wheels. He was a founding member of Kairos of Mississippi and lovingly tended to the spiritual and even physical needs of prisoners, both while they were incarcerated and after their release. He never gave up on people, believing that all things are possible through God, working through people. He was active in various Twelve Step programs, serving as chaplain for several treatment centers. He was involved for many years in programs advocating better treatment for mental health and the Methodist Walk to Emmaus. He supported many causes aimed at world hunger.

Although ES was a Christian minister, he accepted and loved those of all faiths. He was active early in the civil rights movement, urging acceptance and equal legal rights for all persons, regardless of race or ethnicity, sex, sexual orientation or economic circumstances.

The month before he died, the Tupelo District Board of Laity honored ES for his lifetime of service to the Methodist Church and Christianity in general. Memorials may be sent to Kairos Prison Ministry of Mississippi.

John F. Winters, 67, a devout Catholic went to be with his Lord and Savior on June 9, 2013. Known as Smiling Johnny, he was born in Providence, RI and grew up in North Miami. He was severely physically handicapped from cerebral palsy. Johnny used his handicap to teach everyone that: "God has created us all for a particular purpose, no matter how handicapped one might be."

In 1971, he founded GOAL Inc. to help the homebound handicapped Get Out And Live by providing opportunities for socializing, entertainment, mutual support and spiritual growth. For over 20 years, he spoke to students at

public and private schools about accepting their handicaps and the handicaps of others. He retired from Goal in 2006 after 35 years of service. John was active in Cursillo and Kairos Prison Ministry in the Miami area for many years.

Thomas C. Johnson, 89, died June 10, 2013. Born in Kearny, NJ, Tom grew up in the great depression

working odd jobs such as a short order cook, and running a shooting arcade on the Jersey Boardwalk. He also worked in a brush factory where he unionized workers he felt were being mistreated.

During World War II he served in the Army Air Corps and was stationed in Italy. After the war, he moved to Miami to attend UM Law School and graduated in 1952. That same year, he met the love of his life LaVerne, on a blind date and started a family. Tom practiced law for over 30 years with his law partner, Irving Dunn at Dunn & Johnson, P.A.

In 1968 he attended Catholic Men's Cursillo #8, which changed his life. With his new found Faith in Christ, he participated in many Cursillo weekends. Tom, along with 8 men, took their Cursillo method to prisons starting at Raiford in 1976. The "9 Old Men" adapted the Cursillo method for the

prison environment and the Kairos movement was born. Kairos is now in 34 states and 9 foreign countries. He studied Theology in Maryknoll, NY and was a professor at St. Thomas University in Miami. and a member of the Florida Bar. He served in the Vestry at St. Faith's Episcopal Church and held various positions in the Cursillo and Kairos Prison Ministry. He was instrumental in starting the Lutheran and Episcopal Cursillos.

In the Mailbag

Dear KPMI,

I wanted to write and praise your ministry for being blessed to be part of the Kairos #18 at Westville CF. The 3 1/2 day event has been, besides being saved in January 2012, the most inspiring thing since beginning my walk with Jesus. The food was great and the opportunity to share and fellowship with everyone there was awesome!!! I pray that when I'm released, I can someday become a volunteer for Kairos and come back into the prison system to encourage and help as many men as possible. I will continue to pray for Kairos Ministry and that they are able to remain strong and grow. So again, thank you and God bless your ministry and all those that are a part of Kairos

Your Brother in Christ, Chad, Westville Grad

The Magnificence of Prayer

KO Northern CA held Weekend #57, March 15-17, 2013. Prayer was a big part of this Weekend. Many people committed to pray on the team and from the outside community before and during the Weekend. I had the privilege of working the Weekend. I was impressed by the prayer during the team formation meetings. Our Spiritual Directors believe in the power of prayer and we prayed often. When someone from the group was sharing and had a need, we would stop and pray right then. I witnessed gratitude in the

faces of those being prayed for. I saw first hand the importance of prayer exemplified during the meetings.

During the Weekend, prayer was frequent. I worked in Agape and as I moved around, I would turn a corner on my way from one room to another and found team and guest praying. At the reunion, guests shared answers to prayer since the Weekend. They saw the importance of prayer demonstrated and witnessed to the results of prayer. In "My Utmost for His Highest",

Oswald Chambers says "Be a person who worships God and lives in a holy relationship with Him. Get involved in the real work of intercession, remembering that it truly is work; work that demands all your energy, but which has no hidden pitfalls. Preaching the gospel has its share of pitfalls, but intercessory prayer has none whatsoever."

Thank you to all who prayed for our Weekend. Continue to pray, to intercede, for Kairos Outside, the volunteers and the people whose lives are being touched.
