

## **FUNDRAISER**

### Empty Bowls

If you have available potters who can make bowls to donate this is a good fundraiser.

Collect the bowls

Ask for volunteers to: contribute a crockpot of soup (their choice), bring some homemade bread, or drinks

If there is a culinary school in the area, ask if they will donate dessert. A bakery or the bakery section of a grocery store is another source

Local businesses would likely be willing to contribute paper goods and plastic cutlery  
Price the meal at \$10 for adults, \$5 for children (12 and under), under age 3 free

For the price of a ticket, you get dinner, AND you get to keep the one-of-a-kind bowl.
