Vision

A Community
Spiritually Freed
From the Effects of Imprisonment
Reaching all Impacted by Incarceration,
Through the Love, Hope, and Faith
Found in Jesus Christ.

The mission of the Kairos Prison Ministry is to share the transforming love and forgiveness of Jesus Christ to impact the hearts and lives of incarcerated men, women and youth, as well as their families, to become loving and productive citizens of their communities.

January 2022
Core Values

Kairos Prison Ministry Core Values guide our behavior and actions as a board, staff, and volunteers:

**Lay-led, Christ Centered Ministry**

We are Christians who believe in the Holy Trinity and honor and live the teachings of the Bible and our Lord and Savior, Jesus Christ. We conduct the ministry while inviting all to attend as Guests or Participants in Weekends and program specific follow-on activities to build Christian community.

**Empowerment while Building Accountability**

While we empower the local volunteers to conduct the ministry, we are accountable to excellence and performance at the highest standards and authority of the ministry. We empower Guests or Participants to be accountable for their lives and be transformed by Jesus Christ.

**Continuing Ministry Model to Build Community**

We believe in the importance of enabling relationships to build community, thus our model includes the Weekend experience followed by Guests or Participants gathering regularly for accountability, support, and prayer. The full complement of the well-defined returning model is necessary for the community to prosper.

**Trustworthy**

We believe that we must be honest and truthful in our personal conduct as we represent the ministry consistently and with integrity. We are obedient to God in everything we do and obedient to the guidelines of the Kairos ministry programs.

**Respect and Love**

We believe in respecting each person with dignity while modeling Christ love. We practice ‘Listen, Listen, Love, Love’.

**Stewardship**

We believe that we must be good stewards of our ministry’s programs, funds, and resources, as well as our personal time, talent, and treasures.
Statement of Faith

The people of Kairos are called by God to share the love of Christ with those impacted by incarceration. Kairos encourages believers from a variety of Christian traditions to be volunteers in this Christ-filled ministry.

Kairos programs offer to prison residents, their families, and those who work with them, the opportunity to receive God’s forgiveness through faith in Jesus Christ, and to grow in their faith and servanthood in Christian community.

We stand on the common ground of the following elements of faith:

We in Kairos believe:

- The Bible is God’s authoritative and inspired word for our faith and our lives.
- In the Trinity of the Father, Son and Holy Spirit.
- In the deity, death and resurrection of Jesus Christ.
- Friendship with God is a free gift, for God so loved the world that He gave His one and only son so that whoever believes in Him shall not perish but have eternal life.
- The love of Jesus Christ motivates His followers to provide food for the hungry, drink to the thirsty, welcome to the stranger, clothes for the naked and visits to the sick and those in prison.
- In sharing the love and forgiveness of Jesus Christ with all incarcerated individuals, their families and to those who work with them inside and outside the correctional institution.

I. Introduction

The programs of Kairos Prison Ministry International (currently Kairos Inside, Kairos Outside and Kairos Torch) are defined by the Board of Directors and delegated through the Chief Executive Officer (CEO) and staff to the State Chapter Committee to oversee the implementation of the programs through the Advisory Council. It is the Advisory Council that oversees the local community where God has called you into service.

A. Spiritual and Biblical Focus

There is an overriding spiritual and biblical focus that guides the heart of the Kairos ministry as found in the Core Values and the Statement of Faith, along with the current program manuals. As illustrated in 1 Corinthians chapter 12, we are all part of one Body. Each organizational program, Advisory Council, and State Chapter Committee does not stand alone, but we are all connected together to accomplish the will of God in this ministry. Every Advisory Council and every State Chapter has a part to play in the overall success of the ministry. Every meeting should include prayer, devotions, and using biblical principles. Every volunteer must be a Christian by the standards of the Statement of Faith.

Each has a role to play that ensure Kairos programs are done consistently across communities and facilities and in a God honoring manner as well as the legal requirements for nonprofit ministries. Together we are one as Kairos Prison Ministry International.

B. Purpose of this Document

The Advisory Council Operating Procedures (ACOP) is designed to be a tool to strengthen the ministry at the Advisory Council level and provide guidance to be in compliance with Kairos operating standards and policies.

C. Purpose and Roles of the Advisory Council

The Advisory Council is a body of volunteers in a local Kairos community, who serve in leadership roles for the benefit of the health and direction of the ministry. Each volunteer works in unity to conduct the Kairos ministry programs as a local Kairos community. Each active volunteer votes in the election of persons who serve as standard members of the Advisory Council.

As a member of the Kairos community, it is important to understand that there are some “basics” in the life of the Advisory Council.

1. **Body of Christ** – Every person and role in a Kairos community is important to the workings of the ministry, and we are part of a much larger body. As described in 1 Corinthians 12, we are "one body with many parts."

2. **Community Participation** – People, as Christian volunteers, cycle through the leadership of Kairos ministry by serving on the Advisory Council for a period of time. Members then cycle out to make room for other volunteers to serve and grow in leadership and understanding of the ministry. It is vital to the long-term health of the ministry that people do not become entrenched on teams or the Advisory Council.
3. **Living in Obedience and as Sacrificial Servants** – Kairos ministry is one that calls for Christian volunteers to live in a spirit of obedience and anonymous servanthood. Advisory Council members are called to live out this spirit of obedience to the methods and practices of the ministry. We serve, not in conflict, but in unity. In all things, we are committed to serve in obedience with a sacrificial heart and according to biblical standards.

4. **Growth of the Ministry** – The Advisory Council is responsible for the long-term health of the ministry. This includes recruiting new Christian volunteers to fulfill the policies concerning new team members on each Weekend. The Advisory Council is also to raise sufficient funds to finance the Kairos ministry.

**The Roles of the Advisory Council are:**

a) Ensure spiritual health of the ministry through biblical leadership and prayer.

b) Program compliance to follow the current program manual and policies of Kairos.

c) Ensure planning and implementing plans for recruitment and fundraising, along with leadership track for Weekends and Advisory Council, and that all ties to their annual budget. (See addendum at end of document – page 25)

d) Recruitment of Christian volunteers while ensuring rotations of new volunteers into the ministry, of existing volunteers, and of team members. Ensure enough diverse (denominational, ethnicity, and age) volunteers recruited while allowing the Weekend Leader to select the team per the current program manual guidelines.

e) Fundraising through local venues to provide sufficient funds for the ministry, along with proper financial reporting of funds and expenses. It is not the policy to require the team to pay a fee to participate. All volunteers are encouraged to make a donation.

f) Team building and leadership development which includes training of leaders and team meetings.

g) Ensure Weekend leaders and future leaders for the Advisory Council are identified and trained in a timely manner and have a 24-month leadership track in place. Ensure team formation meetings are conducted according to the current program manual and that each volunteer attends at least 75% of scheduled team formation meetings.

h) Conducting the Kairos programs and Continuing Ministry on an on-going basis.

i) Reporting financials, Weekends, and results, while using the tools provided by Kairos, including but not limited to KairosMessenger, EZRA, KairosDonor, and Excellence Initiative. Failure to use required systems and reports could cause issues and create suspension of operations.

j) Ensure positive correctional institution relationships and approvals in place.

k) Ensuring good communication taking place for the Advisory Council, including each role sharing an update on progress, holding Advisory Council meetings, and various forms of communications to keep everyone updated. Communicate with the State Chapter Committee.

l) Ensures the local ministry and all volunteers are using the proper logos and protecting the Kairos brand as well as the program brands.
D. Authority

The Advisory Council provides the leadership for a specific local Kairos program. The Kairos Board of Directors sets the policy and methods for the ministry. The CEO is responsible for all operations of the ministry. The State Chapter Committees report to the CEO. The State Chapter Committee implements the policies and methods through the Advisory Councils. The Advisory Council members are expected to understand the policies, programs, and operating procedures of Kairos Prison Ministry International. The local community is authorized to implement the ministry programs and policies as written. No Advisory Council has the authority to disregard or change the policies, programs, and operating procedures.

Being obedient may require the Advisory Council to make changes. There may be challenges or resistance due to a history of “doing it our way.” The Advisory Council has a number of tools to help monitor its compliance to the ministry’s methods. For example, the Advisory Council shall review all Weekend Leader reports, Excellence Initiative reports, KairosMessenger reports, and State Chapter Committee minutes.

No person is allowed to use the Kairos email list, contact lists, or KairosMessenger information for non-Kairos purposes. Improper use may result in the person’s removal from the ministry.

E. Operations of the Advisory Council

1. **Each Kairos program must have an Advisory Council and each Correctional Facility requires a separate Advisory Council** - It is the local Advisory Council that manages its respective program (Kairos Inside, Kairos Outside, and Kairos Torch) using these ACOP procedures and the current program manuals. Each Advisory Council must have its own Institutional Liaison for the institution it serves.

2. **The State Chapter Committee authorizes the Advisory Council** - The State Chapter Committee, through the State Chapter Committee Agreement with Kairos Prison Ministry International, is delegated the responsibility and authority to implement the policies, programs and operating procedures set by the Board of Directors. The Advisory Council falls under the authority of and is responsible to the State Chapter Committee. The State Chapter Committee is encouraged to require the Advisory Council to sign an affiliation agreement. The State Chapter Committee reports to the CEO.

3. **The Kairos community elects the Advisory Council** - The active, local Kairos community of volunteers is the body who nominates and elect members to the Advisory Council. Then the Advisory Council elects the various positions. In turn, it is the members of the Advisory Council who nominate the upcoming leaders for each Weekend. Names of the Weekend Leaders must then be submitted to the State Chapter Committee for approval in a timely manner to ensure proper Advanced Kairos Training, use of EZRA, and team formation.

4. **Each member of the Advisory Council serves a limited term** - One of the weaknesses of an Advisory Council, over time, is when people become “entrenched” in the leadership. It is a mistaken belief that the ministry can only survive if certain people are there to "do it." The ministry grows stronger as new people are allowed to take on more significant roles in their community. Accordingly, the members of the Advisory Council serve limited terms of service/office.
F. Key Tools of the Advisory Council

The ministry provides the Advisory Council a number of key tools that can help the Advisory Council stay within the Kairos riverbanks.

1. **Advisory Council Operating Procedures (ACOP)** – It is critical that every member of the Advisory Council has a clear understanding and working knowledge of the directives and guidance contained in the ACOP. It describes the life of the Advisory Council and how it is to operate.

2. **State Chapter Committee Operating Procedures (SCCOP)** – The State Chapter Committee Operating Procedures define the operation of the State Committee and its relationship to and authority over the Advisory Council. The State Chapter Committee is available for guidance and support. The Advisory Council reports to the State Chapter Committee.

3. **Code of Conduct** – Board of Directors policy that guides our behavior and operations as we conduct the ministry and provides guidance on disciplinary actions.

4. **Kairos Financial Policies and Practices** – The Kairos Financial Policies and Practices for the State Chapter Committee and Advisory Council are defined here. The goal of the ministry’s financial policies and practices is to ensure proper stewardship, reporting and financial growth for Kairos ministry and compliance with IRS requirements. The Financial Policies and Practices must be followed. All property (trailers, chairs, tables, etc.), assets, and funds are the property of Kairos Prison Ministry International and cannot be given or gifted to third party entities (see FPP).

5. **KairosDonor** – As part of the implementation of the financial policies and practices, the Advisory Council is required to implement and use KairosDonor. It assists in the proper management of the funds and fundraising of the ministry and to nurture the relationship with donors to the ministry. Proper use of KairosDonor ensures Kairos is in compliance with IRS guidelines for donor reporting and fundraising. End of the year statements must be sent by the end of January the following year to every donor for all donations throughout the year.

6. **Ministry Program Manual** – The Advisory Council is responsible for implementing the program as defined in the current program manual for the particular program (Kairos Inside, Kairos Outside and Kairos Torch). It is imperative that the Advisory Council members read the program manual and have an up-to-date understanding of the program methods and procedures. Each team member must have an original copy of the program manual. The Weekend Leader is required to use EZRA to aid in leading by the program manual. The Advisory Council should ensure the full program is being conducted for both the Weekend and Continuing Ministry.

7. **Advisory Council Training (ACT)** – Annually, Kairos or the State Chapter Committee should conduct specific training for the Advisory Council. This training, offered virtually, is useful to understand newly updated or approved guidance for the Advisory Council. It is the Advisory Council’s responsibility to implement these guidelines in the conduct of its program. This training is mandatory for Advisory Councils that are New Starts and those that are having difficulties of any kind or have been suspended.
8. **Advanced Kairos Training (AKT)** – Kairos provides mandatory training for Weekend Leaders. Members of the Advisory Council can learn more about the specific program itself and are encouraged to attend an AKT. AKT is specific to the individual Kairos program (Kairos Inside, Kairos Outside, or Kairos Torch). You will learn about the current procedures and methods of the ministry, including new ministry policy updates. The full days of training must be attended to qualify and must be at least 12 months ahead of the Weekend and have been within the past 24 months. Observing Leaders must attend AKT before serving as Observing Leader. EZRA is not provided until after proper training of the Weekend Leader.

9. **Weekend Leader Report** – Each Weekend Leader is required to provide a report, utilizing EZRA, and passing the data to the next Leader. The report will automatically be sent to the Advisory Council, the State Chapter Committee and Kairos Program Coordinator. The Advisory Council reviews this report to ensure that the Weekend was properly implemented and takes corrective actions for the future Weekends. This report will be on KairosMessenger.

10. **Kairos Excellence Initiative Report** – The purpose of the Kairos Excellence Initiative (EI) is to enhance the quality and effectiveness of our ministry by fostering compliance with program policies defined in the current program manual. The EI instructions and EI questionnaire are located at www.KairosEI.com (also in EZRA and on www.MyKairos.org). As outlined in the Program Manual, the person assigned to fill out the report does so before, during and after the Weekend. They then enter the information from the questionnaire into www.KairosEI.com as the entry person. Once they have entered the information the EI reviewer for the State gets an email, and they go into the system and review the report. The reviewer will review the information and discuss the completed report with the person who completed it. A copy of the report automatically goes to the appropriate persons once the review is completed in the system. The State and Advisory Council Chair reviews this report and takes the necessary actions to improve the quality of the program by reviewing it with the immediate past Weekend Leader and the upcoming Weekend Leader.

11. **Kairos Volunteer Website (www.MyKairos.org)** – the volunteer website is a single resource for policy and procedures documents as well as the latest information concerning each program and the ministry. Find recruiting, fundraising and other ideas along with videos and testimonies.

12. **KairosMessenger** – the volunteer database housing volunteer information, reports, rosters, and other information via web access. Each person will have access based on elected role and need to view or edit information. The secretary is responsible to keep the Advisory Council roster updated at all times. KairosMessenger will be the system that will house reports, information, and data, and tracking for the ministry. It also will serve as a communication tool.

13. **Other policies** should be known and followed including by not limited to: Interdenominational, Diversity, and Spiritual Unity Policy, Trailer Policy, Photo policy, Style Guide, and others posted on www.mykairos.org.

14. **The Kairos staff** is available for assistance after the resources of the State Chapter Committee have been exhausted.
II. Advisory Council Procedures

It is important to the vitality of each Advisory Council to try to maintain a strong Christian ecumenical make-up that follows Kairos core values and statement of faith. Every volunteer must be a Christian that is active in a Christian church. Leadership should, if possible, rotate among various Christian denominations and minority groups.

All voting members of the Advisory Council are elected by the active volunteer body, which gives the body voice in the leadership of the ministry. If a person is not fulfilling their role, the body should not nominate or elect them to serve again. All volunteers are welcome at Advisory Council meetings and encouraged to attend. The Advisory Council is not a board and cannot change the policies, practices, programs, or procedures of Kairos Prison Ministry. All variances must be requested through the State Chair/State Chapter Committee and sent to the CEO for review and approval. If approved all variances are one-time approvals and require a plan to address the issue.

A. Meetings

Advisory Councils are working bodies and meetings are working meetings. To ensure that the Advisory Council operates in a consistent and open manner, the following guidelines are to be followed:

1. Advisory Councils will establish a regular meeting schedule and should meet monthly, but no less than bi-monthly. It is highly recommended to meet monthly.

2. Meetings should be open to all Kairos volunteers. It is acceptable for some meetings to be held via teleconference or other electronic means, but most should be face-to-face.

3. The Advisory Council meeting should be conducted using established rules. Those rules should be part of the permanent minutes.

4. When dealing with confidential matters, the Advisory Council may call for a closed session. In this event, the public minutes will indicate only that a ”closed session” was held to discuss a confidential matter, while the Advisory Council’s own minutes will attach minutes from the closed session. If closed meeting is related to a member, a meeting may be called without the person, the Code of Conduct process must be followed.

B. Quorum and Voting

A majority (more than 50% or 7) of the individual voting Advisory Council members shall constitute a quorum for conducting Kairos business. Voting by proxy is not allowed. Voting members are elected members of the Advisory Council include the standard positions: Chair (in case of tie), Vice Chair, Secretary, Treasurer, KairosDonor Coordinator (or Financial Secretary), Agape Coordinator, Institutional Liaison, Recruiting Coordinator, Fundraising/Sponsorship Coordinator, Continuing Ministry Coordinator, Data Coordinator, Communication Coordinator, and Clergy. The officer positions are Chair, Vice Chair, Secretary, Treasurer, and KairosDonor Coordinator (or Financial Secretary). No advising members, optional positions, or other named members are voting members of the Advisory Council.
C. Advisory Council Positions, Duties and Responsibilities

This section identifies the various positions and the job descriptions for standard and optional positions. It also lists advisory positions.

Advisory Councils will elect the standard positions for their particular program and elect or appoint non-voting optional and advisory positions as they might apply to local needs. Standard positions are automatically voting positions. Advisory positions (those positions that are elected to the Advisory Council by virtue of their knowledge/experience in a supporting organization (4th Day Community leadership, Kairos Weekend leadership, additional supporting non-profit organization leadership, etc.) are non-voting positions.

1. No one will be allowed to serve simultaneously on the Advisory Council and as a staff member of the institution or a government/private professional involved in a contractual relationship with the institution served by the Advisory Council.

2. No person may serve in more than one elected position at a time within the Advisory Council and/or as State Officers.

3. No person may serve on more than one Advisory Council. The only exception to serving on more than one Advisory Council is for one year to help start a new Advisory Council.

4. Immediate family members may not serve in financial positions and Advisory Council Chair because of financial decision making.

5. Husband/wife should not be officers on the same Advisory Council.

Kairos is a ministry of persons drawn from a broad range of Christian Churches which includes denominational, racial and age diversity. We expect all God’s people to be treated with respect, love, integrity, and equality.

Minority (ethnic) representation: All Advisory Councils are required to have minority representation from a variety of races and endorse racial equality and involvement on the Advisory Council to meet the needs of those we serve. If the Advisory Council believes it can’t meet this requirement, then the Advisory Council should go to the State Chapter Committee for assistance. If the State Chapter Committee can’t resolve the matter, then the State Chapter may seek a variance to this requirement from the CEO.

The Advisory Council may be made up of male and female volunteers. Up to one-third of the members can be the opposite gender of the population served. The gender of the persons elected to serve as the Chair and the Institutional Liaison (Kairos Inside and Kairos Torch) shall be according to the following chart:

**D. Election of Advisory Council Members**

1. **Evolution of an Advisory Council** - The Advisory Council should constantly evolve. At the yearly election, some of the members rotate off and new members fill these seats. Elections must be completed by December 1 of each year, with member information reported to the State Chapter Committee by December 31st by entering into KairosMessenger. The current Secretary enters the election results into KairosMessenger. Each member’s term begins January 1 of each year. In addition, each year the 13 standard voting positions are elected by the Advisory Council members thus holding one-year terms. The newly elected Advisory Council members should meet quickly to elect persons to the specific roles. They should use the month of December to educate and transition new members and persons in new roles.

2. **Qualifications of an Advisory Council Member** - Advisory Council members must be active in their Christian church community, have served on a Kairos team within the past 4 years and/or have been active in the Continuing Ministry during the past 4 years. (Active does not include persons in prayer support or event participation such as Flowers at Dawn, etc.) Kairos encourages members to be active in a Christian accountability group. They must agree to follow the rules and policies of Kairos.

3. **Term of Service** - The term of service for each Advisory Council member will be three (3) years, elected annually. All Advisory Council members and standard voting positions of the Advisory Council may be re-elected for a 2nd and 3rd consecutive 3-year term of service. No one may serve more than three consecutive terms (9 years) without rotating off for a 3-year period. An Advisory Council member may not serve as Chair for more than five (5) consecutive years. For the purpose of defining a term, any term of service which begins prior to July 1 shall be considered to have begun on the preceding January 1; any term of service beginning on or after July 1 shall be considered to begin on the following January 1. If a person must step away from their position during the year, the Advisory Council can appoint a person until the next election cycle and if elected start a new term.
4. Election Process (2 phase election process)

Phase 1: a-e

a) In September of each year, the Secretary will deliver (by e-mail or any other economical means) a written communication to each active member of the local Kairos community regarding the election process and to ask for nominations of persons to the Advisory Council. Persons not fulfilling their job currently should not be nominated or put forth for re-election. "Active” Kairos community members are active in their church community, have served on a Kairos team within the past 4 year(s) and/or have been active in the Continuing Ministry during the past 4 years. Kairos encourages members to be active in a Christian accountability group.

b) The active members of the local Kairos community submit their nominations on or before an established date for nominations.

c) After the established date, the Advisory Council reviews the nominations. They may add additional nominations from the active local Kairos community, after confirming their willingness to serve, to ensure every vacancy has a nomination.

d) The Secretary sends the ballot of nominations via KairosMessanger election tools to the active members of the local Kairos community and asks for their vote by an established date. All votes are made to one authorized person (e.g. Secretary). This will be done through KairosMessanger.

e) After the established date, the votes are tallied, and the entire Kairos community is notified of the new Advisory Council members.

Phase 2: f

f) Phase 2: The newly elected Advisory Council members then elect the persons to the standard 13 voting positions.

All elections should be complete by December 1 of each year and the current secretary enters into KairosMessanger the election results and roles of each person. Each person takes on role beginning January 1 of next year.

5. Newly Formed Advisory Council

a) The newly formed Advisory Council meets and establishes, by majority vote, the Advisory Council position of each member for the coming year. The officers are Chair, Vice Chair, Secretary, Treasurer, and KairosDonor (or Financial Secretary). These officer positions must be filled at start-up, but more may be filled. The new Advisory Council has two years to grow into having full standard voting positions which can be added at any time. In the case of a newly formed (new start), the Advisory Council members are not required to have 2 years of Kairos experience, however it is recommended that some members do for establishing a healthy experienced body. The Advisory Council must establish positions with varying term limits to create the terms rotation by the third year. All other procedures apply to a start-up.

Note: The Vice Chair should serve as Continuing Ministry Coordinator until that position is named for the start up.
b) All positions are for one (1) year and may be re-elected to a position per terms of service.

c) Ordering KairosDonor for the approved Advisory Council that can list the 5 required officers, initiates the Advisory Council to be on the official roster, financials, EZRA, KairosDonor, KairosMessenger and other systems.

(i) If a new start, then they follow the newly formed Advisory Council section above and must work to do the full program within 2 years.

(ii) If approved and documented to conduct Continuing Ministry only at a prison, then the modified group must keep a small Advisory Council in place and ensure the rules of Kairos are followed.

1. At least the positions of Chair, Vice Chair (optional), Secretary, KairosDonor Coordinator, Treasurer, Institutional Liaison and Continuing Ministry Coordinator must be in place, entered into KairosMessenger, use KairosDonor for donations, reporting income and expenses properly, reporting Continuing Ministry in Kairos Messenger, and operating according to the Advisory Council Operating Procedures.

2. They are conducting Kairos ministry and hence must be accounted for as existing and on the Advisory Council list with notes of special approval.

3. It should always be the goal of working to do the full program.

E. Removal/Non-Attendance/Replacement of an Advisory Council Member

1. Advisory Council members may be removed by a majority vote of the remaining voting members under the following conditions:

a) Upon refusal or repeated failure to perform the duties of their position.

b) Rebellious conduct that jeopardizes the ministry.

See Code of Conduct for guidelines. Note if family members involved the members must remove themselves from the discussion and decision. If an individual is suspended from the ministry, they cannot hold other positions during the suspension time period.

2. Advisory Council members who miss three consecutive meetings are considered to have resigned. Note: consideration should be given if the person, in spite of the missed meetings, is actively contributing to the work of the Advisory Council.
F. Selection and Removal of a Weekend Leader

The leadership track for the Weekends is very important and the Advisory Council should be planning ahead to ensure leaders are lined up, has the right Kairos experience, and is trained timely. Have a succession plan that looks out two or more years, and includes recruitment needs for the future.

1. **Authority** - Weekend Leaders are under the authority of the Advisory Council to conduct Kairos activities in accordance with the manual and policies of Kairos Prison Ministry. The Advisory Council shall select only those Weekend Leaders who demonstrate commitment to following the Kairos methods, manual and procedures. These selections should have the right experience within Kairos as per the program manual.

2. **Advisory Council Responsibility** - Advisory Council Responsibility - A prospective Weekend Leader and Observing Leader is nominated by the Advisory Council and must be approved by the State Chapter Committee. Advisory Councils will:
   
a) Nominate, invite, and request approval from the State Chapter Committee for persons to serve as Weekend Leaders at least 18 months prior to leading Weekend.

b) Ensure that Advanced Kairos Training (AKT) for an upcoming Leader occurs. AKT must take place prior to the person serving as an Observing Leader, but no later than 12 months prior to their assigned Weekend.

c) Ensure that a Leader obtains EZRA after their training, but before their Weekend team recruiting formally begins and at least 6 months prior to the Weekend occurring. In the case of EZRA, it is highly recommended that the Weekend Leader does not obtain it until immediately following the completion of the Weekend prior to their assigned Weekend (this provides them with the most up-to-date version).

d) Ensure that reports from the Weekend Leader are received and in KairosMessenger.

e) In consultation with the Weekend Leader, the Advisory Council will select the Advising Leader (except for #1 Weekends). The Weekend Leader selects the team per the program manual guidelines. The Advisory Council approves the team listing to ensure all are qualified by the rules of the ministry.

3. **Removal of a Weekend Leader/Team Member** - Refer to the appropriate Kairos Program Manual and Code of Conduct for disciplinary guidance concerning team members and Weekend Leaders.
III. New Start-Up

To start up an Advisory Council in a State that has an existing Kairos ministry, follow the procedures in the New Start Procedures for Starting Kairos in a New Institution or Community located on the www.MyKairos.org website under Downloads/Advisory Council. Always contact the International Office to set up the proper systems and approach, including but not limited to financials, KairosDonor, naming, and reporting. Approval by the State Chapter Committee and the International Office is necessary to start a new Advisory Council and to use the Kairos programs. A new start is set up in the systems after approval and with the order of KairosDonor.

IV. Inactive or Closing an Advisory Council

In the unfortunate situation where an Advisory Council can no longer operate, the Advisory Council and State Chapter Committee should evaluate the situation. If they are regrouping to address issues, then the Advisory Council remains on the rosters. If there is no way to restart or no plans to reenter the Correctional Facility ever, then the location can be submitted to be made Inactive. The State Chair will report any changes immediately to the International Office through the KairosDonor form. The history and information will be retained in the systems, but the inactive group will not be counted or reported as operating within Kairos and has no authority to do so.

If a location is made inactive, the local volunteers must return all materials, supplies, equipment, software, data, manuals, songbooks, and other items to the State Chapter Committee for use in other locations. No materials or assets may be retained by the local group or any individual. All expenditures should be cancelled fully, and no expenses incurred upon closing.

Addendum – Planning Guidelines as referenced Page 6

Each Advisory Council should have an annual plan that ties to their budget and includes a goal and plan for recruitment, leadership track, fundraising, and ensuring the programs are being carried out with excellence. Always cover the plan and implementation with prayer. The plan should include items such as but not limited to this list:

- Recruitment: How many new volunteers do we need? Do we need additional clergy? Musicians? Support team? How will we recruit them? How can we ensure we have diversity in Christian denomination, age, and race for the future? How do we retain volunteers and regain past volunteers?

- Leadership Track: How can we ensure the leaders for the Weekends are well prepared and we have a two-year plan for the leaders? How can we ensure we are recruiting people and preparing them for the Advisory Council for the future?

- Fundraising: How much do we need to fund our needs? What types of fundraising events will we do to raise funds?

- Excellence in Programs: In reviewing our Excellence Initiative and Weekend Leaders reports, what areas do we need to improve? Are we fully implementing the program manual and how can we improve? Do we have a good relationship with the facility and how can we improve? Are we operating the Advisory Council with excellence and each person knows and accomplishes their role?
