

Practical Christian Encouragement - Talk #2 - Loving is Better than Hurting

Scripture: *A new command I give you: Love one another. As I have loved you, so you must love one another.*
John 13:34

Key Points: We all get hurt by others all the time, and our instincts tell us to retaliate. The world says it is OK to strike back.

But, Jesus says there is a better way - to love

- Love your enemies
- Love those who disagree
- Love the sinner
- Live Him

Discussion Questions:

When did I love someone else in the name of Christ?

Who do I need to start loving?
