

**Scripture Based Theme - Talk #1 - God is love and love is the evidence that our life is in God**

Scripture: 1 John 4:16

Speaker: Ways in which have experienced love because of my walk with Christ and how it has enriched my life?

Question: If you were asked to describe how God feels about you, what one word would you use? Do you “live in love?” Think about how your life has looked to others this week. Would they say you are “living in love?”
