

KAIROS INSIDE PRAYER AND SHARE WEEKLY HOST GUIDE

Thank You for your willingness to participate as this week's Prayer and Share small Group's Host. Here is what you should do:

- Do introductions and quickly explain the process and make sure everyone has a Grouping Card or can see the questions.
- Open with the Kairos Community Prayer (on the grouping card).
- Read each question on the Grouping Card and ask each person to answer before moving to the next question.
 - The answers should refer to the last week or since the last time you attended.
 - There are no right or wrong answers and it's OK if someone passes on the question. No one should be pressured in any way.
- Be aware of time; there are five questions.
 - If some members seem to ramble, gently remind them to answer the specific question and that time is limited and each person should have a chance to share. **Note:** Please be sensitive if someone has had an extraordinary week and needs extra time. Always encourage the Kairos motto: "Listen Listen. Love, Love".
- Toward the end of the time, have the members pair off by 2 (or 3 if an odd number) and answer question 6 and pray for each other.
- Optional: End with the Lord's Prayer (often everyone does this as a large group)
