

“GOOD MEALS”

Got assigned to the kitchen
Working for Kai ros ev’ry night and day

Hey we never get a minute of sleep
When worrying ‘bout the way the skits
Might have been.

Good meals keep us going
We all keep on serving

Serving on the weekend.

Cleaned a lot of plates this morn’n
Cooked a lot of things that taste real good
But we never saw the good side of a kitchen
‘til we hitched a tour on Kai ros Outside

Good meals keep us going
We all keep on serving

If you come down to the Kitchen
Betcha gonna find the people who serve

You don’t have to worry ‘bout no appetite
People in the Kitchen are happy to serve.
