

We Are Called the Kitchen Crew

(Sung to “Just a Closer Walk With Thee”)

Chorus:

We're your trusty kitchen crew.
Working hard and happy too.
Oh dear Lord if we only knew
What's this crew supposed to do?

We're here for you both night and day.
For our help you do not pay.
“It's our pleasure,” we will say
For us it's work and no pay.

Chorus

We'll get it done, don't ask us how.
You need milk? We'll milk a cow.
You want pork? We'll grab a sow.
We know you'll all be shouting WOW!

Chorus

If you are sick, we'll get a doc.
If you need time, there'll be no clock.
We'll darn the hole in your sock.
But draw the line – won't make your frock.
