

Skit - “Sister Act”

Song Ideas (from Sister Act soundtrack):

- “My Guy (God)” – track #8
- “I Will Follow Him” – track #12
- “Shout” – track #13

Costumes:

- Black garbage bags – one for robe, one for “veil”
- Paper toilet seat cover like a neckpiece

Scene:

- Men file out like a choir
- Choir Director files out
- CD plays the song, while choir sings along
- Choir dances and does “choreography” during song(s)

Suggestion:

- Begin with #8 or #12
- End with #13 and some enthusiastic choreography
