

That Darn Stove (Sung to "In His Time")

That darn stove!
That darn stove!
Can you tell us how to light that darn stove?
We can't get it figured out,
But we'd like to figure it out.
That darn stove!

That darn stove!
That darn stove!
We burned all the groceries up in the stove.
Lord I come to you and pray,
That the pizza's on the way.
And he'll come and save the day
From the stove!
