PENSKE TRUCK RENTALS:

Don't book trucks more than 6 months in advance.

Preferably the approved Kairos volunteer picking up the truck makes the reservation.

The Kairos volunteer will be required to provide a Purchase Order #. This will be your Advisory Council's name. Please make sure you give the exact name of your Advisory Council.

HOW THE STATE/ADVISORY COUNCIL WILL BE BILLED:

Once the reservation has been made the State Financial Secretary will receive a copy of the reservation for approval. If the State Financial Secretary does not approve the reservation KPMI will cancel the booking.

The person who makes the reservation is responsible, should the Weekend be changed or cancelled, to contact Penske immediately to make this change. Failure to do this will result in the Advisory Council being billed for the cost of the rental.

Once KPMI receives the monthly statement from Penske, each State/Advisory Council will be billed for the rental. These expenses will be included with your monthly supply, EZRA, training etc. billings.
